Renewal Design-Build's Courtney Rogers Earns NKBA 30 Under 30 Award

Courtney Rogers, project designer with [Renewal Design-Build](#) of Decatur, has been selected as one of the 30 Under 30 recipients by The National Kitchen & Bath Association (NKBA) for the Kitchen & Bath Industry Show 2014 (KBIS®), to be held Feb. 4-6 in Las Vegas.

The goal of the NKBA 30 Under 30 Program is to acknowledge outstanding young professionals while helping these individuals to immerse and apply themselves to new opportunities for growth and development in support of the industry.

Rogers is an award-winning designer and a 2008 graduate from the University of Georgia, in an NKBA accredited program. She joined Renewal Design-Build in November 2011, and her passion and drive to succeed have contributed to her thriving career with the Atlanta remodeling firm.

Rogers was the recipient of a 2013 Chrysalis Award as well as a 2011 Calla Award (given by the NKBA-GA Chapter). She recently started the design blog *aCLear design* (aCLearDesign.blogspot.com), where she highlights current projects, design trends and her own inspirations.

On Thursday, Feb. 6, the group of 30 young professionals will be featured on the Las Vegas show floor in a speaker presentation for KBIS 2014 Conference attendees. They will share the results of their explorations and answer questions from the audience.

Makeover by MODA & Agape

MODA Floors & Interiors team members Tasha Elrod and Lisa Franks assemble furniture for the bedroom makeover.

For the third consecutive year, [MODA Floors & Interiors](#) and [Agape Community Center](#), a nonprofit organization, continued their Extreme Bedroom Makeover partnership. During the one-day event, MODA team members remodeled a bedroom for eight children in the Bolton Road community in Northwest Atlanta. Agape expects to provide 13 children with new bedrooms by the end of November through similar partnerships with local companies such as MODA Floors & Interiors. [Rooms To Go](#) provided new bunk beds for the project, and [Rosing Paint Center](#) donated paint and supplies. MODA team members accessorized the bright blue bedroom with zebra comforters, colorful pillows, tree wall decals, and new flooring. "This is a highlight for us each year," said Dean Howell, president of MODA Floors & Interiors, a floor and window coverings resource in the West Midtown Design District. "The kids are always very appreciative of their new spaces. We think the Agape Community Center is doing good work in the neighborhood it serves." Agape Community Center provides afterschool programs and family services that focus on academic achievement, character development, reading proficiency by third grade, high school graduation and post-graduation planning and placement.
